Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above identified patent.

Applicant's request to change the filing date from what appears on the printed patent is not warranted entry as filed. The information as provided by applicant failed to include proper documentation in support of applicants claim. Accordingly, the patent is considered in accordance with the records of the Patent and Trademark Office.

Further documentation to support applicants' claim should include the copy of receipt mailed to or retained by applicant as proof of filing the application on the date of January 15, 2004 with the Patent and Trademark Office.

In view of the forgoing applicants' request is hereby denied. Further correspondence concerning this matter should be directed to the certificate of correction Branch. Any Telephone inquiry concerning this communication should be directed to Ms. A. Green at (703) 305-8740.
